**10. Sin is a violation from God's divine ways.** It is a way whereby people are against God's commandments, and this is really the disobedience before the Lord God. Sodom and

Gomorrah cities were very sinful and did not repent before the Lord God. The following are sins of Sodom and Gomorrah which relate to present time:

-During Sodom and Gomorrah times people were doing homosexuality and raping. Also in the present time the events of male to male and female to female and forced sexes are seen in the society.

-During Sodom and Gomorrah times were killing others and the events of killing (murdering) do occur in the society

-During Sodom and Gomorrah times people were idols and gods worshipers and also people in the present time do worship idols and gods. Paganism beliefs is common in our societies

-During Sodom and Gomorrah times people had events of theft among themselves and also in the present time theft events are so common in our societies
